

TELECOMS

Leasedirect are specialist providers of equipment finance solutions to the Telecoms Sector.

Our supplier finance options are designed to strengthen your ability to sell equipment, ensuring that you and your customers are able to take full advantage of the many important features of asset finance.

As a supplier partner, we will support your business in maximising sales through the provision of straightforward and accessible finance solutions for your customers. Whatever your clients requirements, we can guarantee using asset finance will result in greater cash flow efficiencies and increased potential for future sales.

As a Leasedirect Supplier partner you can also take advantage of many additional benefits, including:

- A dedicated personal point of contact
- In principle decisions within 30 minutes
- Finance approved on almost any deal, regardless of credit history
- Quotations available online or via email within minutes
- Commission structures available - please contact your account manager for more information
- Leasedirect documentation as standard - regardless of what finance house is used
- Own book funding available for the most difficult of cases
