

WHY USE LEASEDIRECT?

Leasedirect are market leaders in the provision of equipment finance to UK businesses, by using Leasedirect you will benefit from the following advantages...

Individual Account Manager

We believe in dealing person to person, building strong relationships based on excellent service and hard work

Payment Priority

As a supplier partner of Leasedirect, you will benefit from priority payment assisting your cash flow position when compared to standard terms. As payments are made via BACS there is no need for you to wait on cheques to clear

Lowest Rates

We utilise all major funding lines we are capable of obtaining the best rates for you and your customer; with established suppliers we can also offer further discounted rates or other incentives

Quick Decisions

In principle decisions can be obtained within 30 minutes and our team of in-house underwriters are committed to providing full finance decisions within just 4 hours

100% Commitment to Acceptance

With links to all major finance houses and an ability to utilise the other businesses within our group, there is no better chance of obtaining finance for your customers than through Leasedirect

Quotations

Our quotation system provides you with a quote incorporating your logo and is available via the internet, email, fax or post

Preferential Terms on all our other products

As we are part of a larger organisation you will benefit from the best available terms on our personal loans, vehicle finance, mortgages and insurance products
